

FLORANCE CHEN

DATA ANALYST | POWER BI · SQL SERVER · PYTHON

Taipei, Taiwan | marrious21@gmail.com | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Information Management master's graduate focused on data analytics, business insights, and data visualization. Hands-on experience with Power BI, SQL Server, Python, DAX, Power Query, and Excel through recent independent projects spanning data integration, analytical modeling, dashboard development, and business-oriented analysis. Additional experience in government business-district initiatives, marketing research, and web/API technologies.

TECHNICAL SKILLS

Data Analytics: Power BI, DAX, Power Query, SQL Server, Python, Pandas, Excel/VBA, Data Visualization

Machine Learning: Familiar with Regression, Decision Trees, Random Forest, and K-Means

Business & Technical: Market Research, Consumer Analysis, HTML/CSS/JavaScript, REST API Integration, Postman, Git/GitHub

SELECTED PROJECTS

Taiwan Tigerair Route & On-Time Performance Analysis | *Power BI · DAX · Power Query*

- Integrated route, flight schedule, punctuality, and weather-related data into an analysis-ready structure.
- Built an interactive Power BI dashboard with DAX and Power Query to examine route performance, temporal trends, and punctuality patterns.

Taiwan Local Food Opportunity Analysis | *Power BI · Data Integration · Google Maps*

- Integrated restaurant, customer-review, location, and digital-engagement data into a comparative analytical framework.
- Analyzed location, consumer feedback, and digital engagement signals to explore representative local food businesses with potential opportunities.

MUYU - Integrated Marketing Strategy | *Consumer Analysis · Marketing Strategy · Web*

Developed an integrated marketing concept connecting consumer insight, personalized recommendations, experiential campaign design, and a web-based interactive experience.

Expense Tracking LINE Bot - 花草帳 | *Python · LINE Bot · API Integration*

Developed a conversational expense-tracking LINE Bot supporting expense entry, record retrieval, total calculation, and date-related interactions, with hands-on testing and debugging.

PROFESSIONAL EXPERIENCE

Taipei City Government | Contract Administrative Officer | Dec 2025 - Jun 2026

- Supported administrative coordination and development initiatives across 11 business districts.
- Reviewed event subsidy applications using historical funding, proposed activities, and budget requirements to assess feasibility and provide information for supervisory decision-making.

Pacific Dental Clinic | Dental Assistant | Sep 2021 - Aug 2025

- Supported clinical procedures, patient service, treatment-room preparation, and administrative tasks while maintaining accuracy in a fast-paced environment.
